

Hello (name),

Jose has just joined the Biztactix Family. He has a gift for web design and is extremely excited about helping you with your **distinct web solution**. In just the 2 weeks he has been here he has completed 5 websites and is starting several more.

To celebrate our new staff member we are offering all of **Alice Springs** the opportunity to get a professional website, right now, and of course with a special deal.

Our normal **website solution package** is \$1099 and we are reducing it to \$799 just for you. This fantastic deal is only available for a limited time. Take up this special offer before it's too late.

Offer Includes:

- Custom Template from Scratch
- Content Set up How YOU Want it
- Contact Form
- Basic Gallery
- Admin Interface to Change Content

In 2007, **85%** of customers relied on the Internet when making a purchasing decision. Imagine how much business you could be losing without a professional website solution package.

See What Our Customers Have To Say:

"Biztactix setup our website in 1997. Now in 2009 we asked them to give us a fresh look, and it's Amazing!"

-Kroombit Park

"We asked Biztactix to help us move to an Online Audience. Their designs are great, and the service is Second to None!"

-Sams Touchup
